

Hi ...

I am Pooja from Mumbai, now working in Los Angeles since 2007.

I would like to go all out to express my heartiest gratification for the amazing experiences I had at Aastha Hospital and with Dr. Karan Balani.

The Laser DIODE treatment which I underwent at Aastha Hospital under your care, Dr. Karan, has been a total success. I am here in USA and have nothing to worry about any hormonal hair growth any longer.

All my friends here want your contacts and would like to get introduced to you, because their earlier treatments with leading Dermo Cosmetologists in Mumbai have failed. In fact I am here as a live advertisement to your personalized treatment at amazingly reasonable costs.

Thank you Dr. Karan for all the help .... I would like to thank you personally when I come to India in September.
